Contact Information

How do you plan to use AWS?

- ○ Business - for your work, school, or organization
- ○ Personal - for your own projects

Who should we contact about this account?

Full Name

Phone Number

+1 | 222-333-4444

Country or Region

United States

Address

Apartment, suite, unit, building, floor, etc.

City

State, Province, or Region

Postal Code

☐ I have read and agree to the terms of the AWS Customer Agreement.

Continue (step 2 of 5)

Secure verification

We will not charge you for usage below AWS Free Tier limits. We may temporarily hold up to $1 USD (or an equivalent amount in local currency) as a pending transaction for 3-5 days to verify your identity.

Sign up for AWS

Billing Information

Credit or Debit card number

AWS accepts all major credit and debit cards. To learn more about payment options, review our FAQ

Expiration date

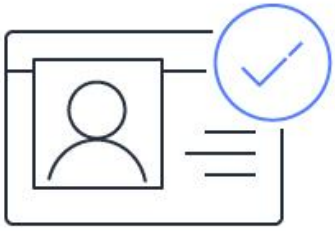
Cardholder's name

Billing address

- (•) Use my contact address
- ( ) Use a new address

Verify and Continue (step 3 of 5)

You might be redirected to your bank's website to authorize the verification charge.



Sign up for AWS

Confirm your identity

Before you can use your AWS account, you must verify your phone number. When you continue, the AWS automated system will contact you with a verification code.

How should we send you the verification code?

- (•) Text message (SMS)
- ( ) Voice call

Country or region code

United States (+1)

Mobile phone number

Security check

Type the characters as shown above

Send SMS (step 4 of 5)
